5. We recommend creating the account under the name of the person you are gifting the membership to. Enter the **First Name** and **Last Name of the person you are gifting the membership to**, then use **your own Email Address** and **Password** before clicking **Create Account**.

The reason we recommend setting the account up this way is the membership will arrive under their name and in the meantime you will receive all the correspondence to not ruin the surprise! The email address and contact number can be updated once the gift has been given.
