We recommend creating the account under the name of the person you are gifting the Membership to. Enter the **First Name** and **Last Name** of the person you are gifting the membership to, then use **your own Email Address** and create a password before clicking **Next**.

The reason we recommend setting the account up this way is the membership will arrive under their name and in the meantime, you will receive all the correspondence to not ruin the surprise! The email address and contact number can be updated once the gift has been given by contacting the Dolphins Membership Team via email or phone.

5. Enter their **account details**, scroll down to add your **payment method** and accept the **T and C's**. Click **'Pay Today'** to officially welcome them to the **Phin Fam!**

If you would like the **Merchandise** to be posted to your address so that you can personally pass it on as a part of the gift, enter your own Postal Address. If you would like the pack to be dispatched directly to the person you are gifting to, enter their Postal Address.
